

## OUR MISSION

To give each individual the opportunity to share their ideas, demonstrate their uniqueness and show the community and world their *abilities*, as opposed to their *disabilities*.

In treating everyone as the talented adult that they are, we believe good ideas can flow from each person.

## WHO WE ARE

The Alternative Center is an integrated community based day program for extraordinary people with extraordinary abilities. We work with adults with developmental disabilities and special needs.

We pride ourselves in providing high quality care with a focus on security and dependability.

Funding options: We work with IO waivers, Level One Waiver, Ohio Home care and Transition Waivers, as well as local funding through Delaware, Licking, and Franklin Counties.
